

# GOVERNMENT LAUNCHES ITS NATIONAL ANTI-PIRACY CAMPAIGN

**PROTECT YOURSELF AND YOUR BUSINESS AGAINST LEGAL ACTION BY TAKING THE FOLLOWING STEPS:**

- 1 Conduct a full audit of your software licenses immediately
- 2 Ascertain the legality of your software by contacting your software vendor or the BSA Hotline at 1-800-887-800
- 3 Immediately purchase licenses for any illegal software you may possess
- 4 Keep all audit reports and proof of licenses for any inspection or raids that may take place

Report the use of unlicensed software at your workplace and earn a reward by calling the BSA Hotline at 1-800-887-800

**THE SPECIAL ANTI-PIRACY TASK FORCE**  
The Special Anti Piracy Task Force is led by the Ministry of Domestic Trade, Co-operatives and Consumerism (MOTCC) and is a multi-agency task force comprising the following IP related industry bodies and agencies:

For more information, visit [www.bsa.org/malaysia](http://www.bsa.org/malaysia)

Take the following steps to protect yourself and your business against legal action:

- Conduct a full audit of your software licenses immediately which available on [www.bsa.org/malaysia](http://www.bsa.org/malaysia)
- Keep all audit reports and proof of licenses for any inspection or raids that may take place
- Top up or purchase any under licensed software to avoid prosecution by government

## Malaysia making it an offence to possess pirated goods

**KUALA LUMPUR:** The Government will amend the Copyright Act 1987 to make it an offence to have pirated goods, just like it is an offence to possess stolen goods, said the Minister of Domestic Trade, Co-operatives and Consumerism Datuk Seri Ismail Sabri Yaakob.
